## School Car Park

Friday 6 March 2026

Dear Parent

Following a recent review of the use of the school car park and associated safety considerations, we will be making a change to how the space is used during the school day.

As of Monday 9 March, the school car park will be reserved for **staff use only between the hours of 8:00am and 5:00pm.**

This decision has been taken to improve safety for pupils, families and staff, particularly during busy arrival and collection times when there is significant vehicle and pedestrian movement around the site.

If access to the car park is required during these hours, this must be arranged and agreed with the school office. Accessing Before and After School provision - or clubs – is not a valid reason for access during these times.

We appreciate your support in helping us keep the school site safe for everyone. If you have any questions, please do not hesitate to contact the school office.

Yours sincerely,

Kindest regards,

Mr Carl Rogers

**Executive Headteacher**
