Dear Parent,

As we prepare for the new academic year, I'm pleased to share with you the class structure and staffing for September. We have worked carefully to ensure continuity, stability, and the best possible provision for our children.

We are delighted to have a strong, experienced team in place, and class transition activities have been planned to support a smooth and confident start in September.

We are looking forward to another exciting year of learning and growth.

Many thanks for your continued support.

Mr Carl Rogers
