

## Key Learning

The United Kingdom is made up of England, Scotland, Wales and Northern Ireland and the capital cities are London, Edinburgh, Cardiff and Belfast.

Wales has a range of physical and human geographical features such as cities, towns, factories, mountains, rivers and coastline.

A National Park is an area of land which is protected because of its special qualities and Snowdonia is one.

Snowdon is the highest mountain in Wales.

Harlech is one of the seaside towns in Snowdonia and has a medieval castle similar to Whittington.

## Year 3 – What is Snowdonia like and how does it compare to Shropshire?
