## Nursery Provision

Dear Parents,

As many of you will know, following the consultation earlier this year, Whittington Primary School will formally adopt the successful Whittington Under Fives provision from September 2026.

From this date, we will become **Whittington Primary School and Nursery**, providing education and care for children aged **2-11 years**.

This is an exciting development for our community. It secures the future of nursery provision in Whittington, builds on the strengths of the much-loved Under Fives setting, and creates a seamless journey for children from nursery through to Year 6.

Planning for the transition is progressing well, and we will continue to keep families informed as arrangements are finalised.

We are now beginning to promote nursery places for September 2026 and would be grateful if you could share this news with family and friends. Prospective families are warmly invited to attend one of our **Stay and Play** sessions:

**Monday 6 July, 3:30pm**

**Wednesday 8 July, 3:30pm**

These sessions will provide an opportunity to meet staff, explore the setting and learn more about our plans.

Thank you for your continued support as we begin this exciting new chapter for Whittington Primary School and Nursery.

Yours sincerely,

Mr Carl Rogers  
**Executive Headteacher**
